

INTRODUCTION TO THE SIX MAJOR SECTORS

GREATLOVE METAVERSE ALLIANCE GREATLOVEDAO.COM

1

GET GLC COMMUNITY COINS FOR FREE AND GET RICH

- The GLC Community Coin is supported by Xixia Kesi Buddhist Banners valued at \$100 million, with ownership distributed among all coin-holding wallets.
- The primary wallet can acquire 100 million coins at no cost, while 30 sub-wallets can easily receive 3 billion coins for free with a single click.
- For transactions or payments involving fewer than 100 million coins, 30% of the coins will be automatically burned, resulting in a reduction of the currency supply and an anticipated increase in value.
- Once 10 million wallets hold coins, the wallet will be listed on a major exchange, with an expected valuation of 100 million coins at 100 USDT.

2

- Receive a static cashback of 15% plus 1 USDT, along with a dynamic cashback structure comprising 50 layers of matrix rewards, resulting in a double payout.
- Allocate 55% for AI quantitative trading of mainstream cryptocurrencies, with 80% of the generated income automatically reinvested into new subscriptions.
- Dedicate 10% for airdropping AI tokens to AI agent supernodes.

4

MINTING RWA NFT COLLECTION AND EARNINGS

- Each high-value Oriental antique treasure is segmented into 10,000 pieces and sold as RWA NFTs.
- An ERC1155 smart contract is utilized, allowing minting with USDT at a 90% discount.
- Collection, pledging, and gifting can be conducted independently, with support for listing and selling on mainstream NFT exchanges.
- Once collectors achieve a 70% ownership threshold, they will lock in the market value and acquire the remaining shares to secure the treasures, resulting in the destruction of the RWA NFTs.

5

FREE EARN MONEY BY CLICKING TELEGRAM APP GAMES
